Hopkinton, MA 01748

COVID-19 Updates & Precautions **February 11, 2021 update**

Previous updates and additional information and resources can be found here:
<https://coronavirus-hopkintonma.hub.arcgis.com/>

As of 2/10/21, Hopkinton's Health Department is reporting 697 total confirmed COVID-19 cases; 32 of those cases are active, with 648 recoveries and 17 deaths. You can see historical tracking and updates on [Hopkinton's Community Impact Dashboard](#) which is updated frequently.

Massachusetts Department of Public Health COVID-19 weekly Public Health Report - NEW UPDATE

The Weekly COVID-19 Public Health Report includes enhanced, more granular information to be updated on a weekly, or biweekly basis, including town-by-town case and testing information, cases and deaths in Long Term Care Facilities, updates on nursing facility audit results, and more.

Caregiver vaccinations - NEW UPDATE

Effective Thursday, February 11th, at mass vaccination sites, an individual who is accompanying a person age 75 or older to get the vaccine may schedule their own appointment to be vaccinated on the same day. A caregiver must schedule their own appointment online for the same day and location as the 75 or older resident. Only one caregiver may accompany a 75 or older resident. Individuals can go to mass.gov/covidvaccine and schedule two separate appointments at either the same time or adjacent. [Click here for more information.](#)

Natick Mass Vaccination Site - NEW UPDATE

An additional mass vaccination site is scheduled to open on Monday, February 22, at the Natick Mall with LabCorp as the provider. This site will begin administering 500 doses per day, then increasing over the course of several weeks to administering 3,000 doses daily. All eligible residents will be able to use this site. Eligible residents can begin booking appointments for the Natick site on February 18th. For appointment booking, visit mass.gov/covidvaccine.

LOCAL (Hopkinton) vaccination clinic information - REMINDER

On Sunday 2/7/21 Hopkinton released a special update with local vaccine information. Only Phase 1 and 75+ year old residents are eligible for vaccines at this time. [Click here to read more](#)

How can Hopkinton Youth & Family Services support you during these times? NEW UPDATE

Is there a resource you seek? Wishing you had someone to listen? Struggling with a problem that could use professional support? Send us your questions here: <https://forms.gle/PiX8Vxow4r7AQtpPA>. You can remain anonymous and we will answer your question on one of the next covid update pages. Or you can share with us your contact information and we will reach out to you to provide direct assistance. Or you can always call us at 508- 497-9781. Be sure to leave a message and we will return your call.

An example of a common question:

Q: Where can I find a counselor/therapist during this challenging time?

INTERFACE Referral Service is a resource that is free to every Hopkinton resident. A 20 minute intake starts the process of finding a clinician that is right for you in terms of location, availability, specialty, and preferences. A match can be found in as little as 2 weeks. Call Monday - Friday 9am to 5pm at 1- 888-244-6843 (toll free); 617-332-3666 (local)

General Massachusetts Vaccine Scheduling Resource Line:

Governor Baker has announced a call center to help residents 75 and older more easily schedule an appointment if they do not have internet or are unable to use the website at www.mass.gov/COVIDVaccine. The COVID-19 Vaccine Scheduling Resource Line is a dedicated telephone line available to residents 75 and older. The call center will be staffed with over 500 representatives who can provide live phone support to assist residents with booking an appointment. The line will be open Monday through Friday from 8:30 AM – 5:00 PM. Live call center workers will be available in English and Spanish, and 100 additional languages will be available through translators. Call center workers will have the same access to appointments that users will see on the public website.

The line can be accessed by dialing 2–1–1 and selecting the prompt for “Help Scheduling a Vaccine Appointment.” Residents may have to wait on the line given expected high call volume.

Hopkinton Town Hall reopened to the public as of Monday August 10th. Appointments are required due to the state's COVID-19 limits on building occupancy: [click here for more information](#). All town departments are open for business and many transactions can be completed online. We are available via phone and email to assist during regular business hours. A full Town Directory can be [found here](#). A box at the front door of Town Hall may be used to drop off correspondence, applications, etc., and they may also be mailed or emailed.

The Hopkinton Public Library is currently open for walk-in use from 1-4 pm on Mondays, Tuesdays, Thursdays, and Fridays, and from 10 am-12:30 pm on Wednesdays. Curbside pickup of library materials is available from 10 am-4:30 pm on Mondays, Wednesdays, and Fridays, and from 10 am-7 pm on Tuesdays and Thursdays.

Please remember to practice social distancing, wear a face covering, wash your hands often, and be safe.
