

WATER AND SEWER RATE SETTING PUBLIC NOTICE

The Select Board will hold a public meeting to set Water and Sewer rates and receive feedback from the community on Tuesday, June 20, 2023, at 6:10 p.m., at Town Hall, 18 Main Street, Hopkinton. The meeting will also be held via Zoom webinar. The new Water and Sewer Rates will be effective for the period of July 1, 2023, through June 30, 2024.

After review of the five-year rate plan, staff recommends adjusting the estimated 9.5% (FY 2024) to a 17.5% rate increase for Water user fees due to projected capital costs and a 5% rate reduction for Sewer user fees due to a projected substantial surplus in the Sewer Enterprise. More information on the recommended Water and Sewer Rates can be found here. The Select Board will also consider whether to offer a Water and Sewer Rate Discount for eligible residents and, if approved, the amount of the discount.

Public input on the rate-setting and discounts are welcome and encouraged. Feedback can be submitted to the Water and Sewer Manager Eric Carty via email at ericc@hopkintonma.gov or by phone at (508) 497-9765, submitting feedback to the Town Manager's Office located at 18 Main Street, Hopkinton, or by attending the public meeting.
