### **Hopkinton Emergency Notification System; Code Red - REMINDER**

Hopkinton's Emergency Notification System Partner is Onsolve Code Red. The CodeRED system provides Hopkinton officials the ability to deliver messages to targeted areas or the entire town quickly. Register your phone, txt, and/or email information (and download the mobile app if you want the ability to receive alerts from other communities based on your location while you are traveling) and never miss an alert. You can find more information [here](#), or go directly to the sign up page [here](#).

### **Staying connected - REMINDER**
